

Clonkeen College – Admission policy update

"In January 2020 the Department of Education and Skills announced that the Minister signed the statutory instrument commencing the relevant sections of the Education (Admission to Schools) Act 2018 to come into effect on 1st February 2020.

From February 2020 every recognised school will be required to draft a new school admission policy in accordance with the act's requirements following consultation with the patron, the staff of the school and parents of current pupils.

The BOM of Clonkeen College is currently reviewing its Admission Policy and will upload the new policy by September 2020. There will be no changes to the school's admission procedures for the school year 2020-21, as we will still be operating under the current policy."
